BACHELOR OF SCIENCE IN BUSINESS ADMINISTRATION SPECIALIZATION IN FINANCE

ADMISSION CRITERIA

- Recognized General Education Diploma or its equivalent.
- English proficiency equivalent to IELTS 5.5 or TOEFL-IBT 65.

Applicants who do not have official IELTS or TOEFL scores are required to take MCBS English Placement Test. Based on the scores obtained in this test, students are allowed to begin their credit courses or register in the foundation program.

PROGRAM OVERVIEW

The BSBA degree with the finance concentration will give graduates the knowledge to evaluate and recommend financial solutions effectively. The course contents combine concepts from management, economics and accounting with financial techniques essential in making sound business decisions. Graduates from this Program will acquire pertinent knowledge in Business Administration with specific exposure to financial practices and procedures in the corporate world. The main focus is on a number of concentration areas, including corporate finance, investments, financial institutions and services and personal financial planning.

- Curriculum designed with input from local industry experts.
- Strong industry links, workplace and off-site field trips.
- Help in preparation for professional qualifications like Chartered Financial Analyst (CFA), Certified Financial Planner (CFP), and ACCA.
