Objective

Dynamic Lecturer with over 12 years of successful experience in Aviation and Airport Management academics. Recognized for delivering engaging lectures, providing detailed supporting materials, and maintaining effective classroom management. Committed to fostering individual student success and ensuring a comprehensive understanding of Airport Management principles. Expert in utilizing in-depth industry knowledge to offer relevant insights and firsthand experiences. Known for a personable demeanor, strong work ethic, and a proven track record of consistently engaging students with stimulating and pertinent material. A conscientious educator focused on aligning with student learning objectives, prioritizing test preparedness, and adapting to feedback to enhance student interest and achievement.

▼ Experience

Sept. 2015–Present

Lecturer • Aviation Program • Modern College of Business and Science (MCBS), Muscat, Oman

Areas of Instruction – BSc. Aviation Management:

- **Introduction to Airport and Aviation Management:** Foundational concepts and industry insights into airport and aviation operations.
- **Human Resource Management in Aviation:** Strategic HR practices tailored to the unique demands of the aviation industry.
- **Introduction to Airline Management:** Core principles of airline operations, management, and industry challenges.
- **Special Topics in Airport Privatization:** In-depth exploration of the privatization processes and impacts within the airport sector.
- **Flight Operations, Ground Handling, and Air Operations:** Comprehensive coverage of essential operational aspects within aviation.
- **Introduction to Air Transportation:** Overview of global air transportation systems and logistics.
- **Airport Marketing:** Strategies and practices for effective marketing within the airport and aviation industry.

April.2012-Sept. 2015

Doctorate Research Fellow • University of Petroleum and Energy Studies, Dehradun, India

- **Teaching Faculty:** Provided instruction for MBA (Aviation Management) and BBA (Aviation Operations) students at UPES, delivering specialized courses and fostering a deep understanding of aviation principles.
- **Course Coordinator:** Successfully managed and coordinated the MBA (Aviation Management) program, ensuring curriculum alignment and academic excellence.
- **Mentorship:** Guided MBA and BBA Aviation Management students through the development of their dissertations and synopses, providing critical academic support and feedback.
- **Industrial Tour Facilitator:** Organized and accompanied MBA students on industrial tours, enhancing their practical understanding of aviation operations.
- **Academic Program Officer:** Served as the Academic Program Officer for the Centre for Continuing Education (CCE), overseeing the administration and quality of Distance Learning Programs.
- **Guest Lecture Organizer:** Coordinated and hosted guest lectures by industry professionals, enriching the learning experience for aviation students.
- **Academic Event Management:** Organized and managed various academic events within the college, contributing to a vibrant and engaging academic environment.
